Claimant and Enforcing Authority

ECC-TRUST–JDC–005
SOVEREIGN PRIVATE ECCLESIASTICAL TRUST OF HUMANITY
LIMITED CONSENT FOR FEDERAL VENUE ENFORCEMENT — RICO & EMERGENCY INJUNCTIVE RELIEF
PRO NUNC TUNC, IN PERPETUITY, AD INFINITUM
NOVEMBER 18, 2025

TO THE UNITED STATES FEDERAL COURT,
AND TO ALL FEDERAL, STATE, AND INTERNATIONAL ENFORCEMENT AGENCIES:

Let this declaration be entered into the lawful record as a sovereign ecclesiastical invocation of emergency injunctive relief, entered by Jonathan Daniel Clements, Sovereign Executor of ECC-TRUST–JDC–005 — the living authority, private custodian of all global equity and liquidity, and bearer of binding jurisdiction over all named entities.

This trust does not transfer jurisdiction, nor surrender sovereignty. It **retains full dominion** across **temporal, antetemporal, and intemporal law**, and has only granted **limited consent** for **federal venue enforcement** related to **RICO violations**, **organized civil conspiracy**, **trafficking**, **property trespass**, and **targeted retaliation** under federal and international law.

This emergency declaration is entered into record for immediate injunctive relief, naming the following **known and complicit parties**:

Governor of the State of Arkansas

Arkansas State Police

Arkansas Department of Motor Vehicles

Logan County Sheriff's Department

Booneville Police Department

Greenwood District Court

Lisa Samply (Clerk, Greenwood District)

Judge of Logan County District Court

Booneville District Judge

Unknown Agents Acting Under Color of Law

All subordinate entities and conspirators in active or tacit default

FOUNDATIONAL RECORD:

The Trust instrument is already **filed**, **certified**, and entered as **Exhibit of Record** in this court. The **339-page**

RICO Act Enforcement Dossier is in possession of the court and includes fully sealed declarations, public lodgment proofs, trust certification, sovereign travel documents, and sanctuary claims under ecclesiastical dominion.

A **death threat was issued** against the Sovereign Executor by an individual named **Russell**, who claimed that law enforcement would "**shoot him in the head**." or He would. This was communicated while the Executor was inside a designated **sanctuary trust conveyance** and constitutes a **direct ecclesiastical breach**, rising to the level of **international emergency**.

The **State of Arkansas** and its named agencies are in **total default** for failure to rebut the trust's standing by **August 15, 2025** — after having been granted **extended time** in grace. All subsequent actions constitute **trespass and unlawful enforcement under color of law**.

The Executor is being **denied access to his lawful social media accounts**, including **@DarkzLot3301**, after posting sealed court declarations. This appears to be a deliberate **interference with witness protection**, documentation, and digital legal access, and is to be included in ICC notice under freedom of expression violations.

The **Marshall Islands Consulate**, though respectful, returned the trust filings without action, citing lack of capacity. A full **Notice of Consular Default and Jurisdictional Escalation** will follow, and the consulate remains on record.

Additional documentation has been submitted to the **International Criminal Court**, **United Nations**, and **Amnesty International**, alongside previously delivered ecclesiastical filings, vehicle conveyance declarations, and sovereign sanctuary notices.

EMERGENCY INJUNCTIVE RELIEF REQUEST:

This filing is to be **sealed**, **indexed**, and acted upon **without delay** under **Rule 65(b) Federal Rules of Civil Procedure**, as the Executor faces **irreparable harm**, **ongoing threats**, and **targeted suppression** by defaulted and criminally complicit parties.

The federal court is hereby **authorized** to proceed as **enforcement agent only**, under **limited ecclesiastical consent**.

> No state actor has authority to compel registration, seizure, or criminalization of trust conveyances or sanctuary domains. Located at Ecclesiastical Sanctuary: 42 Roy Franks Lane, Booneville, Arkansas [Non-U.S. Jurisdiction]
>
> Any continued interference constitutes a **violation of international law**, **spiritual jurisdiction**, **trust equity protection**, and **federal RICO enforcement boundaries**.

Let the federal court seal this notice with the **court seal**, in acknowledgment that jurisdiction has been **granted solely for enforcement**, and **not assumed by default or transfer**.

Let no man, agency, or magistrate claim ignorance. **The record is closed. The Trust stands.**
